

**Assumption College Catholic High School — "THE GRAPEVINE"
Alumni Newsletter 100th Edition**

***Hear Ye! Hear Ye! COME ONE,
COME ALL!***

Tradition or Change? That is the question. Assumption College High is "Tradition", with a capital "T". What would you expect from a school that was founded in 1870? Well, times change, and so does the ACH Reunion. The traditional annual Reunion is now changing to every five years. So mark your calendars for Saturday, November 7, 2015. Cancel other plans, contact your classmates and other ACH Alumni, and come to the 145th Anniversary ACH Reunion.

Should you ask "Why?", here are the reasons. The ACH Alumni Committee has seen a steady decline in attendance at the annual even, which translates into an increasing lack of interest. This could be due to the classes attending every five years seeing the same other classes every time. Now, you and your classmates will be able to socialize with ALL the other classes, containing family and friends in the classes four years ahead and behind. This opens the Reunion to be a new, more complete and exciting experience for all.

The next Reunion, in 2020 will mark the 150th Anniversary of Assumption College.
Your Alumni Committee will begin planning

for the landmark even immediately after this year, in collaboration with the University of Windsor.

The ACH Alumni Committee realize that all alumni functions such as the Newsletter, Golf Tournaments, and the Reunions will NOT last forever. As previously mentions, the Alumni database is diminishing rapidly every year due to disinterest, alumnus moving and being lost, deaths and lastly the uninterested Graduates from the 90's to the present. Therefore, your Committee will continue operating fully as we always have, supporting teams, fundraisers, and financial requests helping our beloved school until we are unable to do so.

I would like to thank ALL ACH Basilian Fathers, the Sisters of Holy Name of Mary, Graduates, Staff etc., for years of contributions, support and participation at ACH, the greatest High School ever in Windsor. Thank You!

Lastly, I would like to thank Mike Gibb, '85 to the Alumni Committee as a new writer for the Newsletter. Great to have you. Just a reminder, anyone is welcome to join. Please contact us.

Jodi St.Louis wins the "Outstanding Female Golfer Award" at the 2015 Assumption Alumni Golf Tournament. This is Jodi's first ever golf trophy, very ironic since her brother, Matt, is one of Ontario's greatest amateur golfers ever, and her son, David, won TV's "Big Break" and is currently on the Canadian Pro Tour. Hunt Hool is pictured with Jodi here. Congratulations on a great Tournament!

Boniferro/Landry Golf Outing

The 8th Annual Guy Boniferro/Mark Landry Memorial Golf Outing took place on Saturday, May 9, 2015, at Kingsville Golf & Country Club. Dino Latella once again organized a fantastic day of golf and fellowship.

Cliff and Doug Robinson took top honours, winning the scramble event, one stroke better than Carlo and Aldo Boniferro. However, Dino discovered that both cards had substantial erasing on them, therefore, declaring himself the winner! Congrats Dino!

Approximately \$600 was raised for charity, Big Brothers and Sisters. See you next year. Everyone is welcome.

Dear Respected Father Q. Johnson;

I would first like to begin with thanking you as I am truly honoured and grateful for having received this award. The Assumption Community are truly indebted to you for this generous award that you have been kindly offering for many years, and I assure you that it will be put to good use in my post-secondary education. Furthermore, I guarantee that I am deserving of this award as science isn't just another subject for me, but a true passion which I admire and strive to succeed in. I hope to put this award to great use in funding my post-secondary education as I pursue studies in the science field. Additionally, I would personally be ashamed and disappointed with myself had I not used this award to fund my education as it would be dishonouring all that you have worked for and represented not only as academic excellence in science, but an excellent moral character as well. Once more, I am truly honoured and am at a loss for words to express my appreciation for your gratitude. By offering me this award, but as well as allowing me to represent the ongoing legacy of Father Q. Johnson, which is something I cannot put a price on. Thank you for this award and I rest assure you, it shall be put to the proper use.

From,
Arundeeep Kanwal

Our Journey To Holiness

Congratulations Assumption College Catholic High School Students

We believe that the Catholic Tradition teaches us to be true to God. Our faith teaches us to be Christ for others. The virtues evident in this practice are Integrity and Discipleship and it is these virtues that are the focus in Grade nine and ten.

Students must exemplify integrity and discipleship.

Integrity and Discipleship Award to **Jonathan Ozorak**, Grade 10 student

We believe that the message of Jesus prevails within secular and interfaith communities. Our roll in the world is to embrace Catholic Social Teaching as we journey toward Holiness, we learn humility, which in turn teaches us justice.

Students must exemplify humility and justice.

Humility and Justice Award to **Bethany Viray**, Grade 12 student

“What does God ask of you but to do justice, and love tenderly, and to walk humbly with your God?”

Where are they now...

Louise Kelly: Retired in June, 1991 after teaching at the Elementary level, followed by Secondary level in General Science. She has travelled to China, Japan, Australia and the Maritime Provinces; in the interim she has volunteered at MET Hospital. Quilting and sewing have been some of her pastimes. Louise, Barb Gambriel and Lucille Caron have shared their interests in Stratford plays and Symphony performances. “Work has no appeal for me” quoted Louise; but working the Alumni Reunions is a pleasant task when she sees the students who have passed through the doors of her classrooms.

Gil Grossutti: Gil retired in 1985 and has taught Music at all levels; music continues to occupy him with private tutoring, the occasional performance and providing music at Mass at Corpus Christi Parish. His children now have children of their own (ages 4 to 17) and are within driving distance. Daughter Gina is a site administrator and counsellor at St. Michaels’s Adult Campus. Gil’s travels have taken him to Florida, Europe and Banff., Alberta. Grand parenting is a joy: Emma, the oldest, is Prime Minister at Holy Names and Dana is in Grade 10. Gil says retirement “...is all good” and meets frequently with past colleagues and students involved in music.
