

PURPLE AND WHITE FIGHT FIGHT

WHEN IS IT TIME TO CHANGE?

The Assumption Newsletter faces another milestone

We all face change these days, probably faster than many of us would like. You've already noticed that we've changed the format of our newsletter. This has been done for many reasons; the most significant is Lil (editor) and Rick Dumouchelle (layout) of 10 years are taking a sabbatical for at least a year in 2014. It became an opportunity to make some updates in how the newsletter is produced. We have only used volunteers to keep our costs under control, so to help make the production easier, this new format is being adopted. Yes, this is a conscious effort to reduce the editing, formatting and printing associated with a paper production by using more web-based resources. Those Alumni who have received paper copies will now receive this new format. Please give us your feedback. Perhaps you would like to volunteer your time and energy to keep things the way they were. No matter what the reason, we always enjoy hearing from you.

PRESIDENT'S MESSAGE Hunt Hool '79

Dear Alumni:

Another school year is done. The summer of 2013 is here, and quickly passing, with a record amount of rainfall. Not good for vacations, golf, or convertibles.

We have lost some incredible teachers this year, such as Jim Byrne, Fr. Stortz and Dennis Palamides. They will be greatly missed, especially Fr. Stortz and all his time and work he did for the Alumni Committee. Mr. Byrne is at peace, waiting at the first tee with others in heaven and Dennis is probably getting a baseball team together.

I would like to write this message, and take this great opportunity to express myself. First and foremost on my mind these days is caring for my parents. The past few years have changed me completely. I was lucky enough to get married this past Christmas Eve and my wife Dawn and I enjoy every day together with our sons. But life is full of ups and downs and isn't always fun and games or easy as we age and watch our parents age. I'm sure many or most of you have experienced this already, or will so in the future. I pray for everyone having health problems, their family and friends who must be supportive, caring and strong.

We ask ourselves....Where have all the years gone? Hopefully we can look back and remember all our great experiences and memories, including high school. Here comes a push from me. Please attend your class reunions! It's great to see, reconnect, and catch up with your old friends and classmates. Last month I accompanied my mother to her 60th reunion, the Class of '53 from Cass City, MI. My father was unable to attend and my mother was determined to go. She pulled her oxygen tank into the restaurant and enjoyed the night. In fact she closed the place and hasn't stopped talking about the reunion since. I watched about half of her graduating class of 88 students arrive, some with spouses, some from as far as California, PEI and even Australia! They had canes, walkers and wheelchairs, and you know it wasn't easy. But they came. They had the greatest time that night and I learned a lot about them and heard many stories from 1958. Now I'm starting the calls for my father's classmates to encourage them to attend their 60th reunion in November, ACH Class of '53.

Before I sign off, I would like to deeply thank Mark Fathers for his years of service with Alumni. Also thanks to Rick and Lil Dumouchelle, who will be taking a year off to enjoy their retirements. We will greatly miss the phenomenal amount of work you have done for us every year. Now, I would like to invite any alumnus to join the Alumni Committee and assist with writing articles for the Newsletter, or help with other activities. Wishing you all a great end to summer and for the rest of 2013. Spend time with your families and enjoy each other. Life is the greatest gift.

West End Kid Retires - Mark Daoust '77 Reflects

To be perfectly honest, I can't ever remember a moment in my life when I wasn't going to be an Assumption Purple Raider. Even though I grew up only a stone's throw from Forster High School—deep inside the west end of Windsor—, I was born and raised a Catholic and there was never a doubt that I'd be attending Assumption—just like my father had done before me. What I didn't realize when I was younger was the huge impact that school would have on my life! I do however recall what cemented my desire to be a Purple Raider— and that was watching the annual University of Windsor Boys' Basketball tournaments during Christmas Break when I was in grades six to eight at St Francis grade school. Our coach, Mr. Peter Carlesimo, would provide us with tournament passes and my buddies and I would watch every second of every single game. I still remember being amazed by seven-foot Jim Zoet from Sarnia playing one year—yes, seven-feet tall in high school! What I most remember was cheering for the Purple Raiders, and I didn't even attend the place yet. Those royal purple uniforms just seemed to catch my eye—its' still by far my favourite colour! I'm told this article is supposed to be about my retirement from teaching. For more see achalumni.ca

Eugene Klymko, teacher extraordinaire, retires

Eugene will certainly be missed at Assumption! He was the kind of teacher that became intrinsically involved in every aspect of school life and the students and staff were the benefactors. Born in Fort Frances, Ontario, Eugene

came to Windsor to attend Art School at the University of Windsor. He met his wife, Josie on campus in 1974 and they were married on April 23, 1977. Eugene received his Bachelor of Fine Arts in 1978. He held a number of jobs before attending teachers' college in 1984-85. Among those jobs, he was working for an overhead door company; as a customer relations rep for an insurance company; and working in a children's residence for Community Living. Before he was officially hired for a full-time position at Assumption for the 86-87 school year, Eugene did supply at Assumption and the county school board and completed a couple of long-term placements that included one for our very own Bonnie Levac who was on maternity leave. Though Eugene initially taught sociology, history and religion.. For more see achalumni.ca

Jerry Philp Inducted into Windsor / Essex County Sports Hall of Fame

Long-time Assumption teacher and coach, Jerry Philp, is being welcomed into the Windsor / Essex County Sports Hall of Fame in October as one of the areas most outstanding athletes. Retired since 1994, Jerry spent 19 years as a science/biology teacher, football coach and finally as a guidance counselor before finishing his teaching days at Holy Names. Most of us who know him as

such are surprised to learn that he was such a gifted athlete. One has to pry past achievements out of Jerry to find them out, as I suspect the Hall of Fame had to also.

Congratulations to Peter Hrastovec '75 on the launching of his first published volume of poetry, 'In Lieu of Flowers'. After graduating from Assumption, Peter attended the University of Windsor and graduated with a B.A in English Literature and a degree in Law. He currently practices employment law and is involved with charity work and community theatre in Windsor. Over the years, many of his poems have been published in literary magazines. He is happily married to Denise (Mayea, also a 1975 Assumption Grad) and has three wonderful children.

Windsor natives and Assumption Grads '82 **David Hogan** and **Anne Louise Bannon** team up for the first time since University to bring huge laughs to audiences at Victoria Playhouse Petrolia.

Doug Bergeron '82
by Ellen van Wageningen Jun 15, 2013

Over the 30 years he has lived in California and made his fortune as a technology entrepreneur, Windsor native Doug Bergeron has remained a Canadian citizen. He has filled six Canadian passports with stamps from around the world while travelling mostly on business — in the past 12 years as CEO of electronic payments company VeriFone — and amassing a personal fortune in the hundreds of millions of dollars. At age 52, he is starting a new chapter in his life in which he says he wants to give back to the country he feels is poised for even greater success than when he left. For more see achalumni.ca

Another incredible day at Roseland Golf Course with alumni. The weather was beautiful and the fellowship fantastic. We had an excellent turnout again which made for a great tournament. There was a surprising upset with the team of Mike and Laura Niziolek, Rick Smith, and Marty Henley as the winner! The Sparky Award was presented to the team of Joe Ivan, Frank Iatonna, Steve Norton, and Brad Fahringer. Brad also won the Norb Rammler longest drive. The Mary Kulyk Award for furthest from the pin went to Shawn O'Keefe, while the winner of the John Upham Award for closest to the pin was Dave Binder. The Most Honest Team Award went to Dom DePalma, Nish Mascarin, and Dino Marcuz. Congratulations to Everyone. Thank you to Roseland and their staff for providing an enjoyable venue and a wonderful meal once again. We will tee it up again next year on Saturday, June 7th, 2014. All alumni are welcome.

His very favourite saying, “the world is not ready for me and when it is, I hope it realizes it does not deserve me”. He was a great MC for assemblies at the old campus, St Denis Hall and the new campus 1100 Huron Line. I met him again in the main train station in West Berlin Germany in 1967. I had to come to his aid when he was trying to get information with English and French from a 'German only' station master."

I still remember some names although I have been away for a very long time, 19 years here. I am still teaching English classes and doing some parish work in São Paulo, Brazil. It is good to remember my teaching days at Assumption where I got my start at teaching way back then. Love to all the teaching staff present and former teachers and to the students. May God continue to bless you. It is good to see the spirit of generosity continues to thrive at Assumption. Sr. Agnes Hoy S.N.J.M."
